Dear fellow Rotarians,

You have in your possession your Institute Zone Directory, which contains contact details of incoming district governors and all past governors. This is a tremendous resource for Rotary leaders as you build your networks across borders and cultures. Staying in touch these days is especially important as we must continue to focus on taking care of our fellow Rotarians.

We are the Family of Rotary. Each class of governors create bonds of friendship that last for lifetimes. It is this caring for our fellow Rotarians that binds us together through both happy and troubled times.

Our commitment to service is what drives us, and we want to be a part of something larger than ourselves. By participating in Rotary, we take our passion for community service to the next level, and find inspiration in each other's accomplishments to bring our service to greater heights.

I hope you use the information here to improve your clubs and districts to help them succeed throughout the coming year. Together, we will achieve great things as *Rotary Opens Opportunities*.

Sincerely,

**Holger Knaack**  
President, Rotary International 2020-21

# Message from Convener RI Director Kamal Sanghvi

Dear Rotary leaders,

Sonal and I extend a warm welcome to you all to the 2021 virtual Rotary Zone Institute — *The Odyssey*. It is indeed a novel experience, a scenario that we had never imagined even in our wildest dreams. But considering the safety of all our Rotary family, it is best we meet on a virtual platform.

These are significant and exciting times to be a member of our Rotary family. Our theme this year — *Rotary opens Opportunities* — is perfect for these times! Let's take advantage of the opportunities that this pandemic has thrown up. We can take advantage of what we are learning now and reinvent how we do the business of Rotary. Let us embrace these changes not only during these unprecedentedly uncertain times, but also inspire the potential of our members to expand their reach and connect locally and globally.

I am sure this directory will serve as a useful resource for district leaders for networking and forming new connections.

With best wishes for a very successful Rotary year.

Sincerely,

**Kamal Sanghvi**

Rotary International Director, 2019–21

# Message from RI Director Dr. Bharat Pandya

Dear Rotary leaders,  
Welcome to our virtual Rotary Zone Institute!

Madhavi and I extend our best wishes to you and your families for good health and safety in these difficult times.

It is amazing to see our Rotarians adapting seamlessly to the new normal — the virtual meetings and protective protocols associated with the pandemic. My profound gratitude to you all for serving selflessly on the front lines of this health crisis.

Covid-19 has prompted a global shift in meetings and events, moving from in-person gatherings to a more virtual implementation. The Rotary Zone Institute — *Odyssey* — is also an interesting move in this direction. Its significant bright side is the opportunity to listen, from the comfort of our homes, to several expert speakers from across the globe.

No challenge is insurmountable in Rotary. Every success story is a tale of constant adaptation, revision and change. I am sure that this Institute will inspire each one of us to move forward with commitment, competence, courage and self-confidence.

This directory will help us all to connect with each other in a better way.

Sincerely

**Dr Bharat Pandya**

Rotary International Director, 2019–21

# Message from Institute Chairman

My dear Rotary leaders and family of Rotary, The world has gone virtual. Rotary has responded with alacrity to the new world. We have met like never before with our Rotary friends from across the globe, our grant partners and international leaders on various virtual platforms.

It has been a pleasure and privilege to work with Convenor RI Director Kamal Sanghvi and the team to facilitate this unique Institute which has been carefully curated to offer you the best experience and enrich your knowledge about Rotary and life in general.

*Odyssey*, the virtual journey, is sure to take you through a world of Rotary ethos, top-notch speakers and unparalleled entertainment. I thank the entire team of *Odyssey* including Teams Dimakh and Tantraa for their digital support in bringing together this fine Rotary Institute that may be cherished by all.

This directory, I am sure, will help us keep connected at all times. My sincere thanks to *Rotary News* Editor Rasheeda Bhagat, K Vishwanathan and the team for their efforts in compiling the directory.

Minakshi and I welcome each one of you to the 2021 Rotary Zone Institute.

Sincerely

**Sanjay Khemka**

Chairman
