Promoting awareness on organ donation

Team Rotary News

Rotary Club of Nashik Midtown, RID 3030, along with RIDs 3060, 3131 and 3141, organised a 10-day mega organ and body donation 'Rath Yatra' from Feb 4-13 beginning from Nashik and ending in Jalgaon. Awareness programmes such as rallies, street plays and skits were conducted at Nashik, Dhule, Sakri, Nandurbar, Taloda, Borgad, Shahada, Dhondaicha, Shindkheda, Shirpur, Chopda, Amalner, Erandole and Jalgaon.

Over 20 Rotary clubs participated in the project which created an impact on over 10,000 people, said club president Manoj Kabra.

Road safety through reflector tapes

Team Rotary News

In a bid to bolster road safety measures in Amritsar, RC Amritsar East, RID 3070 has been continuing to install reflector tapes on vehicles passing through highways and interior roads.

During the latest endeavour at Putlighar Chowk, Harpal Chharpal, the superintendent of traffic police, along with Rotarians affixed aesthetically crafted reflectors on hundreds of autos, tempos, pick-up vans and small trucks.

“These safety tapes have proven instrumental in averting accidents, particularly during nighttime. The presence of reflective markers enhances visibility, significantly reducing the risk of collisions,” explains PDG Man Mohan Jerath, a club member. ■

Food distribution in Kanpur

Team Rotary News

Marriage anniversary of club members of RC Kanpur North, RID 3110, are celebrated through acts of service. Under the club's initiative named *Project Annapoorna* club member Ajay Shankar Dixit and his wife, Indu Dixit, distributed food to over 500 individuals at the Ursula Hospital, Kanpur. Similarly, club members Ajai Veer Singh and his wife Sumitra Devi distributed food to 500 individuals at the same hospital.

Inspired by their compassion, member Anuj Tewari and his wife Neetika doubled the impact by distributing food to 1,000 individuals at the Hallet Hospital and Medical College, Kanpur. The beneficiaries included patients and their attendants seeking medical care at the hospital's OPD.

In collaboration with Sayuri Investment, the club organised a financial literacy programme at Capsule restaurant, aiming to enhance the financial awareness among club members.

Celebrating 119 years of Rotary International, the club distributed essential hygiene kits to girls and their mothers from Classes 8 to 12 at Shikshit Aur Matra Vandit, Kanpur, under the RID 3110's initiative *Project Beti*. ■

Promoting mental healthcare in Lucknow

Rotary Club of Lucknow, RID 3120, organised a mental health and wellness seminar at the National PG College. Over 100 students attended the seminar where Dr Shashi Rai, a renowned psychiatrist, taught them to identify mental health issues such as anxiety disorder and depression.

“Mental health issues are common disorders which have to be addressed on a war footing before it is too late. You should not sweep it all under the carpet and feign fineness. Do not hesitate to talk about your anxieties with a trusted well-wisher,” he told the students.

The club is planning to hold such seminars more frequently, said its president Sangeeta Mital. ■

During a seminar on legal services, RC Patiala Mid Town, RID 3090, past president Bhagwan Dass Gupta, a para legal volunteer and social activist, gave a talk on the availability of free legal services and urged the students and their parents to make full use of it. The seminar was hosted by the District Legal Services Authority (DLSA), Patiala, at the Government High School, Barsat.

He gave information to the students about the types of legal interventions being offered by the DLSA and the national Lok Adalat. Para legal volunteers Amninder Singh, Ravinder Singh, Jagdeep Kaur and school principal Sunny Gupta addressed the seminar chaired by chief judicial magistrate and DLSA secretary Manish Arora. ■

The Anns of RC Panvel Central, RID 3131, had a fun day out taking part in a T20 cricket tournament held exclusively for them titled Central Premier League. “We had five teams consisting of Anns and girl Annets of our club members who were selected through an auction following the IPL format at the Suruchi Hall, Panvel,” said club president Ratan Kharol.

Following the auction, “our Anns started practising in earnest at the Zero Turf Ground, which added to the excitement of Rotarians. It was an enjoyable day as all the five strong teams played well, but only one could win the trophy.”

The locals gathered in large numbers to see the net cricket at the ground. “Some of the neighbours said they were amazed to watch such fellowship events in Rotary and expressed their wish to join our club. We have created a good public image during the cricket tournament for the Anns,” added Kharol. ■

Inculcating love for plants

A club member gives a sapling to a student.

Fifty students from the Godavari Devi Lahoti Kanya Vidyalaya, Latur, were taught the importance of protecting our environment by planting trees through both theoretical and practical

methods at a two-month RYLA conducted by RC Latur Midtown, RID 3132.

Just like a mother nurtures her newborn, watches her growth closely, thus creating a “strong bond

between them,” the newly planted saplings have to be nurtured by the students, the girls were told. A month ago, the students chose the trees they wanted, planted them, and for the past month, they have been nurturing their trees by watering them from their water bottles.

The girls were also told to note down the growth of the trees by marking their height, and the sprouting of new leaves and buds. Now the girls have developed a bonding with their trees which will become a memorable part of their school life when they look back after growing up. ■

A Happy School near Kolhapur

Team Rotary News

Vidya Mandir School, Chinchawade Tarf Kale, a small village in Karvir taluk of Kolhapur in Maharashtra, got a makeover under a Happy School project of RC Kolhapur Heritage, RID 3170. “Our member Dinesh Dulhani donated liberally for the project in which we painted the school building, levelled the compound which was not safe for children earlier, renovated both the girls and boys’ toilets, and refurbished the classroom benches and desks,” said Pooja Gandhi, club secretary.

An RO water purifier unit was donated by Kishore Parmar and

a new handwash station was set up with tiles contributed by Rohan Sawant. “We also installed a new printer at the school. We are thankful to our club members who have been our pillar of support for service projects,” she said.

The new look school building with upgraded amenities was inaugurated by Suli Sevakram Dulhani, father of Dinesh Dulhani, and AG Aniket Ashtekar. Club vice-president Amit Punamiya, secretary Pooja and other members were present at the inaugural event. ■
